In this webinar, you will learn...

Get the essential tips and tricks every InDesign user needs to know. This webinar includes short-cuts, key settings and techniques to work more efficiently within InDesign and enhance your newspaper product.

- Keyboard shortcuts that enhance productivity
- Editing menus for efficiency
- Specific preference settings that impact advanced projects
- Creating and using presets
- Template files
- Advanced grids and guides
- Import options

GATC (Graphic Arts Training and Consulting) webinars are “watch and learn” experiences. GATC will share their screens with you so you can easily see what’s being talked about as well as how to use it. They’ll be glad to take your questions and will answer all of them, either during or after the webinar. GATC staff is also available to help you with individual concerns.

Presented in partnership with:

The presenter...

Graphic Arts Training and Consulting (GATC), the Midwest’s comprehensive training resource, has worked with many newspapers through multi-company seminars and company-specific training.

All GATC’s trainers are converted Quark hounds and have been using InDesign since its arrival as an industry standard. GATC trainers know the key elements of producing a newspaper under tight deadlines and the issues that newspapers face. They integrate real world knowledge with software expertise to deliver practical newspaper-specific training.
